

VANS & TRUCKS

ID MAT 6

DECK COVERING FOR TRANSPORT VEHICLES

Lightweight and sturdy, ID Mat 6 rubber flooring is ideal for the decks of horse trailers and horse trucks.

COMPOSITION

100% natural rubber.
Thickness: 6mm.

Rubber flooring with textile insert for more resistance.
Non-slip, it allows a safer loading of horses.

INSTALLATION

The ID Mat 6 flooring is attached to the edges of the loading ramp using stainless steel screws.

Custom made dimensions available on request.

CLEANING

It can be cleaned with a water jet or a high-pressure cleaner.

It is resistant to most cleaning products.

Textile insert
